

Certificate Programming in Community Colleges

Program	Schoolcraft College	Henry Ford College	Wayne County Community College
Arts and Design	3-D and Video Graphics	Visual Effects for Stage and Screen	Video Game Design and Animation
	Foundation Skills	Graphic Design Illustration	Graphic Design
	Graphic Arts	Graphic Design Animation	Digital Media Production
	Music Foundations	Kitchen and Bath Design	Digital Photography
	Music Intermediate	Recording Arts	Fashion Design
	Music Piano Teacher	Journalism	
	Sound Recording Tech		
	Video Graphics		
	Web and Interactive Media		
Informational Technology	Computer Service Tech	Computer Application Developer	Computer Network Administrator
	Programming	Computer Networking CCNA	Computer Support Sp.
	Computer Information	Web Development	Web Development
	Networking Tech Integration	Computer Software Applications	Computer Numerical Control
	Office Information Systems		CIS Application Developer
	Web Specialist		Computer Database Administrator
			Office Specialist
			Industrial Computer Graphics

Business Administration, Management & Operations	Accounting	Accounting Tech.	Accounting
	Business Information Technology	Customer Service Professional	Office Information Systems E-Business
	Small/Business Skills	Supply Chain Management	Entrepreneurship
	Small Business Entrepreneurs	Industrial Distribution Tech. Concentration	International Business
	Business Basics	Office Administration	Bookkeeping
	Accounting for Small Businesses	Office Skills Fundamentals	Project Management
		Small Business and Entrepreneurship	Project Development Prototype
		Industrial Distribution Business Concentration	Hotel and Restaurant Management
		Supervision	Business Analytics
			Global Supply Chain Management
Culinary Arts	Culinary Arts	Culinary Skills	Food Service Systems
	Baking and Pastry Arts	Baking and Pastry	Craft Brewing
	Brewing/ Distillation	Restaurant Service	
Education	Child Care Development	Educational Paraprofessional	American Sign Language
	Alt. Route for Interim Teacher Cert. EL.	Deaf Studies	Library Technology
	Alt. Route for Interim teacher Cert. Sec.		Early Childhood (CDA)
	Special Needs Para Educator		
	Early Childhood		
Healthcare/ Health Services	Health Coding Specialist	Medical Insurance Specialist	Addiction Studies
	EMT Paramedic	Medical Assistant	Dental Assistant
	Medical Biller	Medical Receptionist	EMT Medical Tech.
	Nursing Assistant	Nursing Care Skills	EMT Paramedic

	Phlebotomy	Pharmacy Technician	Gerontology
	Nursing Assistant Training Program		Emergency Room Multi-skill Healthcare
	Physician Office Medical Transcription		Hemodialysis Patient Care
	Pre Pharmacy Tech		Home Health Care Aide
	Massage Therapy		Medical Administration Specialist
	Medical Assistant		Medical Office Specialist
	Fitness Leadership		Mental Health
			Nursing Assistant Training
			Patient Care Tech.
			Pharmacy Technician
			Phlebotomy Tech
			Surgical Tech Central Service
			Surgical Tech First Assistant
Manufacturing/ Tech.	Advanced Manufacturing	Advanced Machine Tool	Alt. Fuels Tech
	Computer Aided Drafting Tech	Advanced Pathways	Automotive Technician
	Electronic Technology	Auto Tech air conditioning, Brakes, Alignment	Aviation Mechanics Airframe
	Industrial Readiness Certificate Program	Industrial Sewing	
	Mechatronics	Automotive Technology	Electrical electronics Engineering
	Metallurgy and Materials Science	Basic Machine Tool Tech	Facility Maintenance
	Plastic Technology	Bio-technology	Heating Ventilation and Air Conditioning
	Welding Sculpture	CAD Tech. Drafting UGNX	Light Rail Engineering Tech

	Welding Fabrication	Cad Tech, Industrial Drafting CATIA	Mechatronics
	Welding Pre Apprenticeship Cert.	Dynamometer Technician	Auto Body Technician
		Manufacturing Production Specialist	Aviation Powerplant
		Welding Tech Basic	Electrical Electronics Programmable Controls
		Welding Tech Adv.	Renewable energy
		Power/Building Engineer Adv.	Sustainable Environmental Design
		Electrical Tech Basic Electronics	Sustainable Environmental Specialist
		Electronic Tech Automation Controls	Welding Artistic
		Energy Tech 1st/2nd Refrigeration	Welding Tech
		Energy Tech Heating/Cooling	Light Rail Engineering Rules and Safety
		Energy Tech Power High Pressure Boiler 3rd	Manufacturing Technician
		Energy Tech Renewable Adv	Rapid Prototyping Intro.
		Energy Tech Renewable Basic	Rapid Prototyping Adv.
		Energy Tech. Boiler License Rev.	HVAC Short Term 3rd Class Refrigeration
		Manufacturing Production Sp.	HVAC High Pressure Steam
		Process Tech. Basic	Specialized Welding
		Process Technology Adv	Welding Adv. 2
		Electrical Tech Analog Electronics	Welding 3
		Electrical Tech Digital Electronics	
Natural Sciences	Environmental Studies		

Public Safety	Fire and Technolgy		Fire protection Technology
			Homeland Security
			Public and Private Security
Social Science		Community Leadership	
Apprenticeship Program		Electrical Instrumentation Control Technician/Collaboration with Henry Ford College, Focus Hope, and Great Lakes Water Authority
